The Building Project

As we write this, the blocks are set for the foundation, the plumbing is in and approved! They'll be pouring the concrete and before long, we'll see the shape!

Regarding the name of this new gathering place, the council has picked three names and will present them to the congregation after Summer; when you'll have a chance to pick the final one .

Cop Cards

Did you remember to bring your "Adopt a Cop" cards for July?

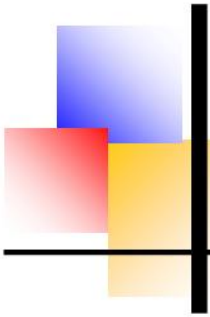

Facebook proving to be popular

We were looking for a way to keep the congregation up-to-date in a fun, easy way and Facebook was suggested. It has turned out quite well as not only does it provide a way to communicate daily, but also allows the church to find out

what's happening in the lives of it's parishioners!

If you are not on Facebook because you don't know the particulars, let us help you get started so we can take advantage of this free form of communication!
