

# LUTHERAN ADVOCACY MINISTRY ARIZONA

## WHO IS LAMA?

### What is LAMA's purpose?

As an advocacy ministry of the Evangelical Lutheran Church in America (ELCA), Lutheran Advocacy Ministry of Arizona (LAMA) derives its purpose from the Constitution of the ELCA, which states:

To participate in God's mission, this church shall: ... Serve in response to God's love to meet human needs, caring for the sick and the aged, advocating justice and dignity for all people, working for peace and reconciliation among the nations, and standing with the poor and the powerless and committing itself to their needs.

The purpose of LAMA is to advocate for justice in the areas of hunger, poverty, and civic engagement with and for those who have little or no political power. LAMA works with congregations and ministry partners in Arizona to create and use networks for advocacy on these issues.

### LAMA POLICY PRIORITIES FOR 2022

Each year, the LAMA Policy Council meets to discern what will be LAMA's policy priorities for the coming year. The committee weighs political and social issues from a faith perspective, bearing in mind LAMA's mission to "join with the most vulnerable of our society to voice our common needs in the public square, activating our faith in love."

- **Food Insecurity** as it relates to hunger and the root causes of hunger. Our ELCA social teachings on hunger and poverty include "Economic Life" and "Homelessness."
- **Civic Engagement** as it relates to the ELCA being a "publicly engaged church" and the ELCA social teachings on educating, advocating, and engaging in our political process, including "Government and Civic Engagement," "Church in Society," and the ELCA votes initiatives *Called to Be a Public Church, Voting Rights and Racial Justice, Movement into Action*.

### MISSION STATEMENT
